### SUMMARY

Commercial 3-year apprentice at Mercedes-Benz Automobil AG (graduating August 2026) with cross-department exposure in operations, finance, customer service, and administration within the Swiss automotive industry.

Based in Zurich, I combine practical business training with active engagement in economics and entrepreneurship. 1st Place – Entrepreneurial Week Luxembourg 2025 (social-business case). Member of the Zurich Economics Society (ZVG) and Youth Parliament Zurich.

Continuing my education with the Swiss Federal Vocational Baccalaureate (Business) at Juventus Zurich from August 2026, alongside joining Merbag Immobilien AG in real estate marketing (Vermarktung).

### EXPERIENCE

#### MERBAG IMMOBILIEN AG

**Starting Aug 2026**  
**Zurich, Switzerland**

Merbag Immobilien AG is the real estate arm of the Merbag Group, managing and developing the group's commercial and residential property portfolio across Switzerland. The company focuses on property marketing, leasing and asset management of premium real estate assets.

#### Real Estate Marketing Specialist (Vermarktung)

- Responsible for the end-to-end marketing and leasing of residential and commercial properties within the Merbag real estate portfolio
- Conducted property viewings, prepared marketing materials and managed prospective tenant communication across digital and traditional channels
- Supported tenant selection and contract preparation while ensuring accurate documentation and compliance within structured real estate workflows

#### MERCEDES-BENZ AUTOMOBIL AG (MERBAG)

**2023 – Present**  
**Zurich, Switzerland**

Merbag is a leading independent Swiss automotive group and one of Europe's largest Mercedes-Benz partners. Founded in 1912 it operates 64 locations across Switzerland, Luxemburg, Italy, Austria and Germany focusing on sales, service and financing of Mercedes-Benz cars and vans.

#### 3-year commercial apprentice

- Completed structured cross-functional rotation across accounting, vehicle operations, HR administration and customer-facing business processes
- Supported financial accounting functions including accounts receivable, general ledger entries and monthly closing preparation alongside operational coordination in vehicle allocation
- Developed strong stakeholder communication skills through direct customer interaction, internal coordination and ensuring accurate documentation within structured corporate workflows
